DRINKS MENU

## Simply elegant.

At Relish we pride ourselves on serving the finest wines. We import our French wines directly and hope we have provided you with a lovely selection from which to choose.

Our Champagne is by Drappier, a producer in the Urville region of Champagne. The house, founded in 1808, produces both vintage and non-vintage cuvee as well as a prestige Champagne, La Grande Sendrée.

Drappier is considered one of the finest boutique champagne producers in the world: this is because of the cellars where they store the wine, which are among the oldest and most extensive in Europe, they were the only ones that weren't damaged during the two world wars or the fires that raced through the area in the 1950s.

Drappier is known for using significantly less sulphur in their wine than many other Champagne producers. One of their cuvées, the Brut Nature Non Dosé Sans Soufre, contains no added sulphur whatsoever.

We invite you to sample our wines, many of which are sold by the glass, whilst you graze on our delicious Deli foods.
