# Grazing on the finest foods and wines.

At Relish Delicatessen, we pride ourselves in providing the finest artisan European foods and wines. We personally choose and import our wines, charcuterie and cheeses and present them with local breads in our restaurant or outside in the dappled shade of our beautiful olive trees in the prettiest historic quarrier of St Helier.

There is a large selection of foods in the Delicatessen shop and should you prefer specific items that are not on this menu, please ask us and we will try to provide them for you. Our knowledgeable staff are delighted to help you choose. Most things that you can order in the restaurant can also be purchased in the Delicatessen.

**Do let us know if you have any specific dietary requirements.**

If you have a spare moment, take some time to discover the wonderful array of produce in our shop.

Enjoy your time with us!

**All the ingredients of our platters are also available for sale in the Deli.**

**Ask for a deli bag to be made up while you dine to take away with you!**

All prices are inclusive of GST.
